

Get Redi...

Finish first with the Redi Bag... the produce bag your customers overwhelmingly prefer!

A recent independent blind study* with produce shoppers vividly demonstrated the overwhelming preference for the Redi Bag... the world's only true pre-opened produce bag on a roll. Over 93% of those surveyed found the Redi Bag to be "Easier" or "Much Easier" to open than other produce bags on the market today. They liked the Redi Bag so much that 83% were "Likely to Recommend" the Redi Bag to their grocer!

But don't take our word for it. Order sample Redi Bags and schedule an in-store test. Let your produce customers tell you personally how much they like the Redi Bag. Results like this demand that you get off the blocks fast ... to finish first with your customers!

*** Independent study conducted by Discovery Research, reliable +/- 4 percentage points. Call or write for complete research results at no cost.**

Easier to open: 93%
