

Introducing the

**REDI BAG BRAND.**

# Headerless Follow Me Produce Bag

Less is more with the Headerless Produce Bag from Redi Bag USA. Less waste with more usage efficiencies.

- >>> No plastic headers or cores to dispose of
- >>> No more wasted bags that cannot be opened
- >>> Eliminates sanitation issues caused by licking fingers to get bag open
- >>> No need to wait for all the bags to be exhausted before adding more bags as there is no header to remove
- >>> Available with or without Patented Pouch System
- >>> Up to 4 color customized printing to promote Better Health available as well a stock "More Matters"

## Custom Printing Available

Redi Bag USA's manufacturing is ISO 9001 Certified, employing a work force of over 800.
