Jumbo Convertible Backpack - Tote Bag

Designed for versatility and comfort, this customizable bag features two-inch-wide adjustable nonwoven straps that reduce shoulder and back strain, even with loads up to 25 lbs. The wide straps won't dig in, making it ideal for long walks, errands, or commuting.

Patent-pending design offers strength and comfort:

- ✔ Multi-purpose backpack/tote carryall
- ✔ Made of Nonwoven Polypropylene (NWPP)
- ✔ 2" adjustable straps, snap closure, holds 25 lbs.
- ✔ Easy-fold, 9" square, flat storage
- ✔ Designed exclusively for RediBagUSA

Get *Redi* to offer your customers more.

JUMBO CONVERTIBLE BACKPACK - TOTE BAG: Designed for RediBagUSA by Clean World Innovative, this foldable reusable tote is perfect for on-the-go customers who benefit from the ability to use it as a backpack and alleviate stress on the hands and arms.

With hand-sewn construction and built for strength and comfort from Nonwoven Polypropylene (NWPP), it takes only seconds to convert it into a sleek and roomy shoulder-tote bag. This patent pending bag is compliant with most local and state single-use bag laws and regulations.

Features and Benefits:

- ✓ Multiple ways to carry
- ✓ Sturdy construction
- ✓ Easily converted
- ✓ Large carrying capacity
