

*More Retail Game Changing
Products from RediBagUSA*

Recyclable Paper Bags

RediBagUSA offers eco-conscious packaging solutions designed with today's retailers—and tomorrow's planet—in mind. Our expansive collection includes recyclable kraft, white, and colored options, as well as matte, laminated, and fully customizable boutique bags. Every design helps reduce waste while creating a memorable, on-brand experience that your customers can take with them.

***The RediBagUSA collection of
recyclable paper bags includes:***

- Kraft paper bags
- White and colored paper bags
- Matte, laminated, and boutique bags
- Bakery and window bags
- Pharmacy bags

Get *Redi* for great bags and a sustainable tomorrow.

RediBagUSA's high-quality, eco-friendly shopping bags feature die-cut handle options. Products are made with a minimum of 40% post-consumer recycled content and are either recyclable or compostable. Fully customizable in size, color, and print, they offer a sustainable packaging solution tailored to your brand.
