

# Meat Bags

**Unique Safe-Handling Instructions Pre-Printed on Bag!**

E-coli, salmonella... you see the headlines that periodically carry an article about the latest problem associated with the mishandling of meats.

Redi Bag USA offers you Meat Safe Handling bags with pre-printed instructions right on the bag, advising your customers on how to handle the meats they purchase. Customers appreciate the opportunity to read this information and to protect their families from illness.

These bags are available in loose or plastic header variety, in a wide variety of sizes and weights. See the reverse side or visit our website for details.

### Safe Handling Information

#### Safe Handling Instructions

*This product was prepared from inspected and passed meat and/or poultry. Some food products may contain bacteria that could cause illness if the product is mishandled or cooked improperly. For your protection, follow these safe handling instructions.*

- Keep refrigerated or frozen. Thaw in refrigerator or microwaves.
- Keep raw meat and poultry separate from other foods. Wash working surfaces (including cutting boards), utensils, and hands after touching raw meat or poultry.
- Cook thoroughly.
- Keep hot foods hot. Refrigerate leftovers immediately or discard.
